

Welcome to Band Camp 2018!

This week Band Camp is 8:00-2:30, next week 8:00-5:00, Monday-Friday both weeks.

Remember to bring lunch, snacks, lots of water, sun block, hat, sunglasses, and wear comfortable (non-revealing) gym clothes and tennis shoes (no bare feet).

The first week you will mostly be in the gym learning the choreography. You can use your phone to watch it anytime by going to my website. **PLEASE DO NOT SHARE the choreography. We PAID for it!**

I will be in Jacksonville for this first week of camp for APSI. I am going to try to come Friday (depending on what time I get home Thursday night). I will be there every day the 2nd week. Mrs. Christy Sills will be with you for the first week of camp for me.

On the first day of camp, Mrs. Sills needs everyone's shoe size and glove size for anyone spinning rifle this year (or that wants to). Everyone needs new gloves because we are using black this year.

There are some special parts that we will audition for later, like a duet and rifles.

If you can, please bring your band dues as soon as possible. This year they are \$200 (in addition to the \$100 uniform rental that was paid before the end of school). Please see the band fee form for pricing on any optional or additional items (like an extra show shirt for you or your parents, to prepay for meals at the football games, etc...) If you are not able to pay your band dues during band camp, please have a one-on-one conversation with Mrs. Sills or me so we can discuss payment options.
